HARDWARE®**

PATENTED #7,104,610

- Allows for 2" depth adjustment without losing seat depth.
- Quick release feature allows backrest to be removed vertically within seconds.
- Refer to page 22 for additional details.

COVER OPTIONS

STRETCH-AIR FABRIC: designed for air transmission and heat dissipation. This breathable laminate combines a high-stretch polyester top layer with a waterproof, breathable vapor barrier.

COMFORT-TEK FABRIC: the fluid proof exterior has supple leathery properties that provide an easily cleaned surface and protection for the inner cushion. Comfort-Tek has multi-dimensional stretch and helps alleviate pressure on bony prominences.
